

# Keep Kerry LEND A HAND

Our seat of Toowoomba North provides a **BALANCE** in political representation for not only Toowoomba but a vast part of Queensland. Toowoomba North is the only Labor held seat west of the Great Divide, apart from the seat of Mount Isa in the far north.

Kerry has the **EXPERIENCE** to fight for the projects our community needs and he gets things **done**. But Kerry needs your support to **continue delivering** for Toowoomba. If you can only spare a few minutes every so often, or you have lots of time to offer, your help will be appreciated.

## Can you help with (please tick):
